Admissions Policy:

There is no guarantee of a place for children living in the priority admission area. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Children Looked After*
2. Children with a sibling** attending the school (at the time of application and admission)
3. Children living outside the priority admission area with a sibling* attending the school;
4. Other children living in the priority admission area;
5. Children of teaching and non-teaching staff **who** have been
 - a. Employed at the school for two or more years at the time of application for the school place;
 - b. The member of staff is recruited to fill vacant posts for which there is a demonstrable skill shortage;
6. Remaining applications

In the event of oversubscription within any of the above criteria priority will be determined by straight line distance from home to school, those living closest being given the highest priority. Exceptional medical circumstances (supported by medical evidence) may override the above criteria (other than Looked After Children).

In addition, we will allocate three places, in agreement with the Local Authority, to children requiring a placement in our enhanced provision, My Learning Hub (MLH). MLH supports the integration into mainstream secondary school of children who have an Education Health and Care Plan specifying that a primary learning need is overcoming Autism Spectrum Condition.

*A 'Child looked After' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

**sibling is defined as a child living in the same family unit in the same family household and address as a child who attends the preferred school in any year group excluding the final year. This includes brothers, sisters, stepbrothers and stepsisters. In addition, biological siblings who attend the preferred school in any year excluding the final year will also be treated as siblings irrespective of place of residence.
