

SENT BY EMAIL 17/11/22: Cohort 10 residential trip to Berlin, July 2023

Dear Parent/Carer,

We wrote to families earlier this month regarding an exciting opportunity for Cohort 10 learners to attend a residential trip to Berlin. This trip has been a popular trip for cohorts in past years and is packed with many sightseeing opportunities and experiences. This full board trip will take place from Sunday 2nd – 8th July 2023. A copy of the original letter with further details is attached to this email.

Although we had originally requested expressions of interest by 13th November, we have continued to receive several enquiries from families about this trip and have therefore extended the deadline to register your child for this trip to 1st December 2022.

If you would like your child to attend the residential visit to Berlin, please submit payment of the non-refundable deposit and first instalment by 1st December 2022 at the very latest.

If you have already submitted payments towards this trip, your child will already have a place on this trip reserved for them and you can therefore disregard this message.

Best wishes,

Mrs Frogley
