Dear Parent/Carer,

**Re: Cohort 9 Enrichment Week 1<sup>st</sup> – 5<sup>th</sup> July 2024**

During our Enrichment week this summer, Cohort 9 will be in school taking part in fun activities designed to develop better relationships and teamwork across the cohort. They will be given tasks and challenges throughout the week in the shape of *Game Shows*: problem solving, critical thinking, resilience teamwork and relationships will be key to the learners during this week. The learners will also take part in an *'It's a knockout'* style activity with an inflatable course!

The activities will run from Monday to Thursday, Learning Groups working together over the course of the week. On Friday 5<sup>th</sup> July we are then offering a day out for C9 to either Southend Adventure Island for a day of fun on the rides, or to Go Ape in Chelmsford for tree top activities. Both day trips are offered on a 'first come, first served' basis as we have a set amount of seats on the coaches we have booked.

The programme for the week is as follows:

Friday 5 <sup>th</sup> July	Option 1: Southend Adventure Island Cost: £35.00
	Option 2: Go Ape Chelmsford Cost: £45.00
