Dear Parent/Carer,

Re: Cohort 7 Enrichment week 1st – 5th July 2024

This summer term has been a busy one for the learners and we are delighted to see how they have risen to the challenges presented to them over the course of this year. The excitement continues as we look forward to Enrichment Week. This will commence on Monday 1st July and will end on Friday 5th July. For the learners not attending the residential visit we have designed a programme of learning for their week in school.

We have based our C7 programme around the importance of teamwork, with *Colchester - past and present* being our theme for the week. There are a variety of activities planned as well as a day out to explore the history of Colchester. The table below provides the necessary information along with some additional notes.

We kindly request that learners come to school with a sun hat, sunscreen, a water bottle and a waterproof jacket so that they can safely enjoy their learning experiences, no matter the weather.

	What's Happening	Clothes	Special Notes
Monday	<ul style="list-style-type: none"> Icebreaker activities Escape Room Command Tasks Planning in teams for week ahead 	School PE kit (all day)
