

17th June 2024

Dear Parent/Carer,

Re: Possible Enrichment trip for HUB Learners; 8th July 2024

We are very proud of our Enrichment Programme at Honywood as a key component in the school's commitment to develop moral, social, cultural, knowledge and professional capital for each of our learners. We recognise that, in order to ensure enrichment opportunities are accessible to all, it is important that an individualised approach to excursion opportunities is taken.

With this in mind, Mr Saunders and Mr Wood have been collaborating to design an exciting, challenging yet accessible trip for our Hub learners and would like to propose a visit to BeWILDerwood in Norfolk for the day on Monday 8th July 2024.

BeWILDerwood offers an inspiring and safe environment for children to learn and play in, with a range of activities including woodland trails, maze navigating, den building giant slides and zip wires, with alternative options such as a storytelling stage, boat rides and crafting activities. Learners will be able to choose from a range of these activities in their small groups, with staff supervision that will be tailored to the needs of our learners.

At this stage, we are seeking parental input to gauge how many learners are likely to attend this trip. Costs will vary slightly depending on the number attending but are likely to be around £11 per learner. We will be travelling by school minibus, departing Honywood at around 8am and returning at approximately 5pm.

To support us with planning for this trip, would you kindly indicate whether or not your child is interested, either via ParentPay or by return email, by 9 am on Thursday 20th July 2024.

If you have any questions regarding the trip, or would require support with transport to/from school as the trip is outside of school hours, please let us know.

We will contact families again with further information once we have collated parent responses.

Yours faithfully,

Mrs Frogley
