

30th September 2026

Dear Parent/Carer,

C7 Road Safety Performance; Wednesday 7th October 2026

On Wednesday 7th October, C7 will be attending a performance in our main hall at 9:00am. The performance has been arranged and funded through Safer Essex Roads partnership.

This interactive theatre performance explores road safety. It comprises of a one-hour performance, 25-minute performance and a 35-minute interactive workshop delivered by trained actors. The performance is tailored to this age group and explores the decision-making process and risks young people will take. This powerful Theatre in Education drama and workshop helps KS3 learners explore how peer influence, distractions, and everyday decisions affect road safety. Through live performance and discussion, learners build the awareness and confidence to make safer choices.

More information is available through their website - <https://www.theriotact.co.uk/road-safety-programme>

Learners will register in their learning group and then make their way to the main hall. The workshop is scheduled to finish at 10:00am. Should you not wish your child to attend this performance, please could you contact Mr Briggs dbriggs@honywoodschool.com and alternative provision will be made for the duration of the performance.

I hope that the learners enjoy the performance and that it gives them an insight into the challenges that face our young people today around road safety.

If you have any questions, please do not hesitate to contact me at the school.

Yours faithfully,

Mrs Frogley
Marketing and Enrichment Leader
